

Skills Development with EtonX

A series of online courses from Eton College preparing students aged 13-20 for the world's top universities, leadership positions and successful careers in business. The courses go beyond the curriculum, to help students to gain the skills they need to achieve their goals, ensuring that students develop the essential skills they will need to thrive throughout their life.

Potential Plus UK have been granted a limited number of free access accounts to provide to our members in return for feedback on completing any of the modules. Modules are available until June 2024.
